

Boost Your Leadership and Management Skill Master Class for Just £25

This two day funded leadership and management workshop will:

- ✓ Give you the skills and tacit knowledge used by highly successful leaders
- ✓ Develop your team into a highly motivated and cohesive unit
- ✓ Develop skills to boost your own effectiveness as a leader
- ✓ Give you the skills necessary to improve your business acumen

Now you have the opportunity to develop these high level leadership and management skills for just £25 (subject to certain eligibility criteria*).

Register your interest today as places are limited and we can't guarantee how long the funding will be available. Call Peter Ramsden on 07818 244084 or via email

What the course involves

Through this highly immersive workshop, you will learn by doing, observing and critiquing. At some point during the workshop, each delegate will be appointed to lead their team to business success.

Attached is information detailing what is involved.

When is the course?

The workshop will take place 13th and 14th October 2010. The venue is to be Leeds/Bradford based on demand.

What if we can't get funding?

This is such a vital workshop everyone is welcome. If you are unable to access funding you may attend on payment of a delegate fee. Please ask for details.

Register now while funding is available.

We cannot guarantee how long funding will be available so **register your interest in attending by return.**

Contact Peter Ramsden on 07818 244084 or via email info@paramountlearning.co.uk for further information.

*Funding is subject to meeting eligibility criteria which will be discussed when you register an interest in attending.
